NEW GOLDEN CARESSE PROTECTORS

SKIN HAD NEVER BEFORE BEEN SO PROTECTED!

Ultra-protective treatments for most demanding skin needing stronger protection against wrinkles, darkspots and signs of sensitivity.

ULTRA-REINFORCED SUN DEFENCE

1. AGE & SPOT SUN REPAIR TECHNOLOGY

- **ANTI-AGEING:** STM-CELL SUN PREVENTION
Stimulates the defence and repair mechanisms of the stem cells' DNA against UV radiation.
- **ANTI-DARKSPOT:** SPOT BALANCE SYSTEM
Effectively corrects and avoids sun darkspots.
- **ANTIOXIDISING:** High antioxidising capacity.

2. ULTRA-PROTECTION UVB, UVA, IR-A*.

Reduces the amount of free radicals generated by IR* rays on the skin by 75%-97%.

3. REINFORCEMENT OF DEFENCES AND TAN ACTIVATING CAPACITY

- **PRO-TANNING ACTIVE** Reinforces the skin's self-defence mechanisms, while stimulating a golden tan.

4. TEXTURES WITH "NUDE SKIN" EFFECT

5. EVOCATIVE SUMMER FRAGRANCE

INCORPORATION OF IR FILTERS IN THE FOLLOWING PRODUCTS OF THE LINE:

ICE FUSION now available with SPF30

ICE FUSION SPF30
COOLING SUN MIST
INVISIBLE EFFECT

A BREEZE OF FRESH AIR

ICE FUSION provides the skin with the most advanced sun technology. With airy texture that keeps the skin hydrated. Pleasant sensation of freshness, softness and well-being when under the sun.

FACE AND BODY

Instructions for use: Shake well before use. Apply before sun exposure 10 cm above the skin and reapply frequently. Spread a generous spray film on the face and body. When used on the face, apply first on the hands and avoid contact with the eyes.

FREE SPIRIT SUMMER

ENJOY THE SUMMER YOUR WAY!

The new Golden Caresse campaign is inspired by the "Boho Chic" spirit. An eclectic style, marked by naturalness, originality, with ethnic, hippy, bohemian touches...

A very relaxed look that will make us enjoy the summer freely.

Place of inspiration: Formentera, with its free, lighthearted and ecological character.
