TIMEXPERT LIFT(IN)

A NEW ERA IN LIFTING SKINCARE

TIMEXPERT LIFT(IN) is the latest anti-ageing achievement of the GERMAINE DE CAPUCCINI laboratories.

The secret? **V-Matrix**, a high-performance complex programmed to work on the root of the problem. The lifting is generated inside to become visible outside.

A new era in the search for firmness that, emulating the surgical lifting, provides a global result from Three Vectors of Rejuvenation.

THE SKINCARE LIFTING BEGINS IN THE BOOTH

VECTOR-3 FIRMNESS AND DENSITY ADVANCED PROGRAMME offers visible results from the first session. Its exclusive professional application method intensifies the lifting action.

Features are lifted. Wrinkles are less visible.

Facial volumes are filled in and repositioned. The oval redefines its contours.

THE SKINCARE LIFTING CONTINUES AT HOME

VECTOR LIFT MASTER FIRMNESS SERUM

Spectacularly corrects the most evident signs of ageing. Provides firmness and redefines the facial oval. The volumes increase. Minimises dilated pores.

A jewel of anti-ageing technology.

SUPREME DEFINITION CREAM

First treatment with the innovative **Alpha-Gel Technology** that generates a “second-skin” effect of powerful anti-ageing action.

The moment it is applied the skin is smoothed, it is transformed. With the continued treatment the facial oval is redefined, the skin is reinforced, lines and wrinkles are smoothed.

Essential ally of women who look for evident results from the first day.

Firmer skin*	86%
Globally rejuvenated face*	75%

*Self-evaluation test carried out on volunteers between 37 and 66 years of age who used the serum VECTOR LIFT and the SUPREME DEFINITION CREAM for one month.

NECK AND DÉCOLLETAGE TAUTENING AND FIRMING CREAM

Specific care with a powerful lifting and anti-oxidising action. In just three weeks it tautens and readjusts the loose skin of the neck. The contour is redefined. Wrinkles are smoothed. Skin is rejuvenated.

Essential complement from the age of 40 onwards.

Less visible wrinkles*	80%
-------------------------------	------------

Less flaccidity and sagging of the double chin*	94%
