

Sheltered by the high peaks of the Sierra Blanca, Marbella's warmer climate, with temperatures reaching 23 degrees, makes Autumn a fantastic time to visit.

During the day, guests can enjoy a plush lounge by the pool and enjoy snacks and beverages at the literal push of a service button, whilst the balmy evenings can be enjoyed at the Belvue Rooftop Bar, the only one of its kind in Marbella's Old Town, offering panoramic views as far as Gibraltar and Africa.

---

If guests can tear themselves away from the hotel, there are an abundance of activities to explore in Marbella. Afternoons can be spent at one of the charming cafes or traditional tapas bars along the Paseo Marítimo.

For adrenaline junkies, Marbella is the perfect location for hiking or cycling in the beautiful Sierra de las Nieves or La Verada del Faro with beautiful landscapes such as the Mirador de los Gitanos and the Puerto de las Pitás. Alternatively, for the designer brand names and shimmering superyachts, the glitzy marina of Puerto Banus is just 10km away from the hotel.
