POSTED IN NEWS ON 31 JANUARY, 2018

If you are dreaming of adventures for the year ahead, filled with warmer, sunnier climes look no further than **Amàre Marbella Beach Hotel**. The adult-only hotel reopens for 2018 this March, offering guests a sophisticated oasis from which to discover the wealth of arts, culture and natural beauty of this stunning destination. This year, guests can look forward to a new Latin American dining concept, a fresh live music and arts calendar and a revamped wellness programme to compliment the hotel's superb beach club, sensational spa and outstanding service.

New for 2018, Amàre Marbella's Verité terrace will be taken over by Michelin-starred chef, Mauricio Giovanini, who will transform the beachside venue into Marbella's first and only Latin American restaurant from mid-June to mid-September. Giovanini, who won a Michelin Star for his Messina Restaurant, will bring his experience and flair to Verité, serving up a fusion of flavours from Colombia, Mexico, Argentina, Peru and Brazil in a fun, casual atmosphere with live music, cooking stations and cocktails bars.

Amàre Marbella will continue to offer guests a packed programme of live music, with jazz, soul and Flamenco at Amàre Lounge and new DJs lined up to play at Belvue rooftop bar, where guests can enjoy stunning 360° views over the Mediterranean Sea, Marbella's Old Town and the majestic Sierra Blanca mountain range. The Amàre Art initiative, which offers guests a rolling display of exhibitions throughout the hotel will also return, with a special opening show by Spanish photographer Jesús Chacón.

With health, fitness and wellness high on many traveller's agendas for the year ahead, Amàre Marbella has revamped its wellness programme for 2018. Guests looking to keep their fitness up while away can take advantage of personal training sessions offered by the hotel, while those looking for something a little more zen, can join twice weekly Yoga classes on the beach, listening to the sounds of the sea lapping the shores. Those looking to indulge in some R&R can check into the Amàre Spa and treat themselves to a pampering massage or rejuvenating facial.

On the beachfront of Marbella, yet only a five-minute stroll to the buzzing centre of Old Town Marbella and its marina, Amàre Marbella is an ideal base to explore the surrounding region. Hikers and cyclists can head to the beautiful Sierra de las Nieves or La Verada del Faro with striking landscapes such as the Mirador de los Gitanos and the Puerto de las Pitás. While those looking to discover more on the doorstep can hop on a bike and use the hotel's cycling map to find all the best local spots for a coffee or some retail therapy. Enjoy a leisurely bike ride along the Marbella Promenade, which
