Best for all-day beachfront vibes: Amàre Beach Hotel Ibiza

[Amàre Beach Hotel Ibiza](#)

Just a short water taxi ride across the bay from the Port of San Antonio is Amàre Beach Hotel Ibiza. Located directly on the beach in the peaceful Bou Cove, it's the perfect place to holiday with friends or a partner as the hotel has a modern adult-only concept. Amàre Beach Hotel is beautifully designed, it's got a light and airy feel and it's gorgeously grand. Everything you need is within the complex, two stunning pools, sunbeds for days, restaurants, a rooftop bar, a poolside DJ, a gym and the beach. The poolside service is absolutely 10/10. Just press a button at your sunlounger and a waiter will be right over to take your order. We'd recommend the poke bowl washed down with a Amàre special cocktail. The hotel has a great vibe about it, everyone is having fun, guests are all getting to know each other, the staff are the friendliest around, people are down to party all day long. Vibe check
